To whom it may concern:

This letter serves as a recommendation for the services provided by Triple E Training. For the past few years Birchwood Hotel and OR Tambo Conference Centre has used the services of Triple E with regards to AET Training. They have always been on time and have provided professional service at all times which makes them a reliable partner.

We have had a good experience with them over the past few years for the services they have rendered to us. I therefore recommend their services.

Please do not hesitate to contact myself should you need any other information regarding Triple E Training.
