Dear Sir/ Madam

**LETTER TO THE ABET PROVIDER:**

The LGSETA has been running the ABET classes for Municipalities for the past two years with the help of Mr. Samson Baloyi of Triple E Training. They have gone beyond our requirements, and have provided us with the professional service we expected. Triple E had complete responsibility for the project management of these ABET processes. This was very helpful to us. Triple E Training have made our Municipalities very happy.

Triple E Training definitely has a winning formula and this is also evident in the quality of training our Abet Learners received. I salute you and wish Triple E's winning formula could be bottled and sold to others for a well educated South Africa

Kind regards

**Ms. J. Davies**  
**SSP MANAGER**
